# President's Report cont'd

To the players, thank you for your loyalty and commitment to the club. Your professionalism both on and off the field was great and your support to club functions was fantastic and I hope to see every one of you back at the club in year 2000.

To the managers, Winnie and Carmel Edwards, Marg Williams, Belinda Flavel, Steve Paszko and Greg Munro thanks for your time and effort in doing a great job for your teams.

To the trainers, Phil Sheedy, Dale Munro, Laura Bridle and BJ Mackey a big thank you for a great job in looking after the players at training and match days. I know how much the players appreciate your efforts during the year and more importantly in finals time.

To all the ladies who volunteered their time to help in the canteen on match days a very big thank you to you all.

Diane and Amanda Smith for a tremendous behind the scenes job in producing our newsletter and this year book, as usual a highly professional presentation, we thank you greatly.

Thank you to all our sponsors for their continued sponsorship and support. Without their financial contribution it would make things a little more difficult. Once again thank you for your support, we greatly appreciate it.

To those men in white, the umpires thanks for the year.

Congratulations to all trophy winners and to Shaun Spencer for winning, for the third time, the W.A.A.F.L. Fairest and Best. Shaun once again showed he is a great player and captain. A tremendous achievement.

To my family, Sherryle and the kids a big thank you for your patience, understanding, support and encouragement throughout the year.

And finally on a sad note the passing of a great supporter in Dennis Densley. He will be sadly missed around the club, especially his hugs.

# D Grade Report cont'd

To all the players throughout the club you have been fantastic. A special thanks to the twenty one players who were involved in the D Grade premiership and won for a lot of different reasons, but especially for Craig Edwards and Grant 'Teddy' Craig who unfortunately couldn't play in the grand final because of injury.

Supporters, player's wives and girlfriends and families, thank you for being there week in, week out supporting all teams to the hilt and helping our players perform at their best.

If I have missed anybody, I apologise but it has been a tough three days (It is 8.00 p.m. Tuesday night after the grand final and I am very tired).

Once again thank you to everybody involved on a fantastic season.

# D Reserve Report

Another season has come to an end and we fell just short of the ultimate prize.

To be so close is disappointing, but to get there was such a great effort. Having fifty seven players represent the team during the season just shows that we really never settled a side.

To everyone who pulled on a jumper I thank you for your efforts.

To all the support staff, Warren Osborne, Peter Dennison and especially Marg Williams, a very grand effort and thanks heaps.

Thanks to Mr Sheedy, Dale Munro, BJ Mackey and Laura Bridle for looking after the players week in week out.

Thanks to the committee for their ongoing support throughout the year.

Congratulations to Fitzy and the D Grade, it's great to be a part of such a well deserved premiership.

Well done to Noel Carter and Geoff Flavel and thanks for your support and help throughout the year.

To our captain Brian Nickisson thanks for your tremendous effort and leadership with the team.

Lastly to my right hand man, Mark Doyle a big thank you for all your help and support during the year.

I hope to be back next year and look forward to seeing you all.

# G Grade Report

Another season gone by and again we struggled to win enough games to be a threat for the finals.

This year was a lot harder for us as there were a lot more injuries than in previous years, which saw approximately twelve players play a higher grade with a few staying up.

Players will come and go all season in G Grade, but to the fourteen regulars I thank you for your support, as we are the backbone of the three sides.

This year the Club had a Colts side and to the Colts that filled in each week I thank you personally as you played two games in one day and I know it was hard on everyone.

Hockas and Sheeds did a great job as Vice Captains and I hope that they learnt a lot from it for the coming years.

Laura was a terrific help to the G Grade as trainer during the season, and I hope she will be back next season, but if not congratulations and all the best for the future - Thanks.

Allan and Lenny, without the two of you the games would not have started as all teams need a goal and central umpire. I thank the two of you personally.

Congratulations to Dave Hunter (Fairest and Best) and Kim Hart (Runner Up Fairest and Best) for G Grade and to all other award winners on the night.

Again the Club has two teams in the grand final and it just shows how much depth there is in our Club. Congratulations fellas, win or lose, we are still the number one Club.

Belinda, you did a very good job as manager and I know it was hard at times, but thank you for the effort.

Fitzy, Pud and Carts you have done a terrific job with the D Grade, D Reserve and Colts throughout the season and I thank you for your support of the G Grade.

The Committee has a hard job to do during the season and also off season and I know it is a voluntary position and I also thank you for your support.

# Colts Report

A great start to our first year of Colts. At the beginning of the year we had around four to five players doing a pre season. We started the home and away games with a full side, but most players had not played together as a team, so it took five to six games before we became competitive.

Once we won our first game, our confidence rose and we had self belief that we could match it with the opposition. It was great to see players form a bond and you could tell they had feeling for each other when we became a competitive team. We ended up finishing fifth on the ladder, only two games out of the top four. There was only two sides that we did not beat, but these games were very competitive. The most rewarding wins were the Warnbro Swans and Willetton who both finished in the top four. It was great to see the improvement in the players as individuals and as a team.

What made my job easier was the support I got from a lot of people. Ross Fitzgerald, Pud Meikle, Geoff Flavel and Mark Doyle gave me great support throughout the season and it was appreciated. Thanks.

Scott Beggs, my runner - thanks Scott for all of your support and ideas. Steve Paszko, my other right hand man, came up with some great suggestions throughout the season. Mark Mackey also helped, mainly in the first half of the season. My Manager, Greg Munro did a great job organising everything to do with the off field activities. Ross Clark, another right hand man, helped out at training and came to the games and gave some sound advice. Thank you to these people for their support and assistance.

Thanks to our great trainers, especially Dale Munro who did a wonderful job and we are very lucky to have such an experienced helper.

The Committee especially our President, Scroopy and Dennis Waugh thanks for helping make my job easier.

Our leaders Kevin Fitzgerald as Captain, Ryan Glowacki, Ben Hort and Gareth Linfoot, thanks guys for all your support and great leadership.

Congratulations to Ryan Glowacki (Fairest and Best) who had a brilliant season and dominated at Centre Half Back. Justin Abbot (Runner Up) as our Ruck Rover got many possessions and dominated most games.

Michael Stork played a consistent season mainly at full back and played very well against quality opposition. Aaron Byers, who only played six games, dominated as a ruckman and polled four best on ground performances. Aaron made a big difference to our team.
