## President's Report

The 2001 season saw the Football Club appoint three new coaches in Wayne Riekie, Warren Osboine and Neil Worsley together with Rob Meikle this formed an excellent coaching panel that any club would be proud of. I thank them all for their profession job and their great commitment to the football club.

We had many changes of playing personnel from the previous season with new blood the results showed us we made some great choices. Reaching the finals for the first time in C grade was excellent, C Reserve and Colts also making finals again is a fantastic result for our club. This year we also had some strong performances from our G Grade team this makes for stronger player depth in our club, well-done boys.

Thankyou to my committee for your support throughout the year. To players, trainers, runners, managers and to all the volunteers who have helped out during the year thankyou.

To our sponsors once again we would not have the success we do without your continued support this is greatly appreciated thankyou. We look forward to maintaining our relationship in the future.

The Club is entering an exciting new era with some excellent young players coming through the ranks via the Colts and from the juniors. We have developed a great relationship with the High Wycombe Junior Football Club this is something we must maintain for the long-term future of the club.

Once again we had an association Fairest and Best winner in Mark Boyd, congratulations Porky. To all other trophy winners in all grades congratulations.

To Julie Harrison a fantastic effort all year and to be named the Phil Sheedy Club Person of the year was well deserved, well done Jules.

It gave me the greatest of pleasure to announce two new Life Members in Geoff Flavel and Mark Doyle two people who have always given their all for the football club without question or hesitation their only motivation is for the success of the football club. In their many years of service at all levels of the club I know their hearts and love for the club is enormous. It is a great honour for me to see you both receive the Life Membership you both deserve.

Finally in closing I wish the club every success for the future it richly deserves.

WAYNE SCROOP

## C Reserve Report

"Frustration" - this word sums up our year.

All season we were very competitive but just lacked the polish to win those tight games. When I look back at our results and think with the personnel we had we probably could have done better. In saying that with the lack of training by a lot of players and our team changing every week maybe we were about this position.

I'd like to mention a few players I thought worked hard all year. Players like Trav, Oz, Emo, and Clint were very consistent. Young blokes like Gareth, Hilly and Muners who all improved as the year went on. We had some very talented players: Sterro, Chopper, Nick Frazer.

But consistency was what we probably needed more of from such good players.

It was great to coach new players, and to Porky F/B and Buegg's R/U thanks for your tremendous efforts.

As always to coach you must have a support cast and I was very lucky to have a tremendous team in Pez, Runner, Doyle and Rowdys' assistance and our great Manager Marg. Thank you for your super efforts you put in.

Last to the committee thanks for allowing me the opportunity and it's a privilege to work with such a hard working and successful club.

I think we can take so much from this season and know that to be successful we have to put in a lot of work and most importantly all work towards the one goal. "C GRADE PREMIERS"

ROB (PUD) MEIKLE

## C Grade Colts Report

When I was asked to coach the Colts I was surprised at first because I thought the job was already taken by the previous coach Outty (Michael Outridge) who had a great year with the boys and took them to a 2nd semi final, but he wasn't putting in for the coaching job, I was approached then to coach. I told them I would think about it (so I did for about two seconds!). I jumped at the chance to coach the boys, and I had a great relationship with the players from the year before so I went for it! Not forgetting the people who have given me the opportunities to get me where I am now - Fitzy (Ross Fitzgerald), Pud (Robert Meikle), Doyley (Mark Doyle) and Scroopy (Wayne Scroop). Thanks to you all for inviting me down to this great Club, you all have helped me so much.

Now to write about my first year of coaching and a summary of the year we had. Well to be honest, we had a ball but to make this easy I would like to thank my manager/mate/ex-coach of mine, Rock (Jeff Tillemens). Thank you heaps buddy, I can't thank you enough mate and to a very close mate of mine Leitchy (Kevin Leitch). Well what could I say about this bloke! I would like to say thanks for everything! You have done not just for me but all you have done for the boys, who held great respect for you and I know that we have grown with every one of these players. Thanks heaps Buddy!

Now to the players I would like to thank every single one of you. "Thank you very much guys!" and an extra special thanks goes out to Bones (Cap.), Gretski (V.C.) and Munnors (V.C.). Thank you all for all your help you gave me as a first year coach. I could not have done it without you all.

We went one step closer this year. Next year we will go that EXTRA step and get in the Grand Final. It has been waiting for us for the past 2 or 3 years. Next year we will be there! I am looking forward to a Great year next year. GO DOGS!!!

WARREN OSBOINE

P.S. To the most important people in my life who I have not thanked, my three kids - Josh, Ashleigh and Kirstie and my lovely wife Dionne. Thank you all for your support and for understanding me and my passion with football. To anybody else who helped me throughout the year - you know who you are. Thanks. See ya next year - Wozza.

## G Grade Report

I would like to thank the HWAFC for appointing me to the coaching staff for the 2001 season and for the assistance the coaching staff for the 2001 season and for the assistance and encouragement shown to me.

This year we were able to achieve only three wins and were in the position on many other occasions to maybe win games but let our selves down at crucial times. Injury and unavailability at times during the season meant that we played injured, unfit players or guys who hadn't trained to make sure that the ones who did train got to play on a Saturday arvo.

Ideally, it would be great to field a fit and full strength side each week, I truly believe that if this were possible we would have played finals football. As we all know that we don't live in an ideal world and we had to make the best of what we had on the day. I would like to thank the Colts players who filled in when we were short and the guys who played week in and week out and were committed to their teammates.

Thanks goes to Brett Hockley our Skipper, who played and lead by example. To my Assistant Coaches, firstly Darren Gliddon and then Barnsy for all their work, I couldn't have done it without you guys. To Rhonda, my Team Manager, you are a legend. Thanks also go to Narelle and BJ for their work as trainers during the year. To my children for their help on match day and for putting up with an old grump after a loss, thanks guys.

I look forward to the year 2002 season with great expectations and think that with the right attitude from all involved, finals football should be achieved and expected by all.

To the coaches and players in all C Grade sides, I congratulate you all on playing finals football. I think we can look at our Colts and realise what is achievable if we work and commit to our club, coaches and each other.

See you all in 2002

NEIL WORSLEY
