PRESIDENT'S REPORT

What a fantastic year it has been for the High Wycombe Amateur Football Club! Winning two premierships, "C Grade" and "C Reserve" and runners up in the Colts and then "E Grade" preliminary finalists, this is a fantastic achievement by everyone involved. Who could have predicted back in January when training started that we could create history by having all Grades in the finals.

To the Coaching staff headed by Dennis Evans a truly professional job done by all. I look forward to seeing the high standard that has been set this season continue and going even higher next season when we move into "B Grade". To Narelle and her assistant's, thanks for looking after the players during the year, at training and on match days, I know everyone appreciates the work you all do. Thank you to the Team Managers on a great effort in support of your team. To players in every grade you can hold your head high on great results in every grade this season.

To our sponsors, thank you for your support during the season. Without your generosity we would not have been able to achieve such great results this season, we look forward to your continued support in the future.

To Dennis Waugh who marked the grounds every week, rain hail or shine. Thanks Dennis.

To the player's families and our supporter's, thanks for the way you supported our teams on match days and your support of our social functions throughout the season

To the Committee, no club can be successful without a hard working committee, thanks for your support and input, we could not have achieved these sorts of results without working so well as a team. Well done.

Congratulations to all the trophy winners for an outstanding effort during the season.

Finally, but most importantly it gives me great pleasure to congratulate Marg Williams on receiving Life Membership of the High Wycombe Amateur Football Club. It is a great honour to receive this award and there is no one more deserving that Marg. Once again congratulations Marg.

I look forward to seeing you all again next season.

Wayne Scroop

C GRADE REPORT

2003 was an excellent year in terms of setting goals, achievements. It all started back in February when Rod Peake fitness coach started a weights program. The numbers were down initially but increased as the word passed around that the 03 season had started. Which was followed by pre-season on the track (an average of 60 players participated on each training night). Peaky uses unorthodox methods during pre-season and throughout the year. We welcomed new players to the High Wycombe Amateur Football Club. In as much as Steve Nash, Paul Saylor, Ryan Burling, Rod Smith, Kevin Johnson, Darren Brady, Shane Hansen and the return of Justin Abbot from Karratha.

Our season campaign got under way with scratch matches between Thornlie Football Club and Wanneroo Football Club, both teams from the Sunday League for the past few years and to match them gave me a positive outlook for the 03 season. As a new coach to the club, the players had to come to terms with my methods as I had to with their various styles of play. As we set out about our business we stuck to our fitness program and became the "quiet achievers" going from strength to strength and all of a sudden people started to take notice of the trend we were setting, in our hard but disciplined style of football, enjoying each new challenge as it came along. As the League used a total of 48 players throughout the year and became successful, it flowed to the Reserves, Colts and E Reserve culminating in the League, Reserves and the Colts playing in their respective Grand Finals.

I would like to take this opportunity to thank all the playes for their tremendous effort, discipline and understanding. For this they were justly rewarded in not only taking out the minor premiership by finishing on top, but also the one they worked hard for, a premiership flag. Again well done guys!

Well done to all respective coaches for their support and achievements throughout the year.

A special thanks to Livo (Runner) Marg (Manager)Ernie (Gopher) Rod (Fitness Coach) Narelle and girls (Trainer)

Thanks,

Dennis Evans

C RESERVES REPORT

I would like to start by thanking the committee of the HWAFC for their faith in appointing me to the position of Reserves Coach. I would also like to thank Warren Osboine for his help as my right hand man and Darren Scaini for being our team runner for the season.

To those who recruited so many quality players to the club, thanks, it made my job so much easier due to the depth of good footballers playing at HWAFC this season

I would like to thank the coaches of the other grades and congratulate them for the work and results they achieved. We have been blessed with great support staff ie: managers and trainers and their efforts should not be forgotten.

To the Captains, senior players and to all that played for the reserves this year I would like to congratulate you all for the way you have played and conducted yourselves during the season.

I am writing this on the eve of the Grand Final and hope that when you read this you are smiling and are all reaping the rewards of a successful finals campaign.

To the Committee and all the helpers who work behind the scene you too should be proud of the efforts and contributions you have made towards the success of the HWAFC for 2003.

To those who won awards this season, congratulations, remember your team mates, who make it all possible.

In closing I hope that I have achieved a level of success as seconds coach but hope more that that, that we've won the league Grand Final as that is how we are measured as a club and as coaches through the grades.

Thanks again and best wishes for the summer, hope to see you all back next year, (hopefully in B grade) ready to do it all again.

Who let the Dog's out!!!!!!!

Coach of the Reserves

Neil Worsley

E GRADE REPORT

Well, Easy Company had a great year making it to the finals and finishing third overall, a new record for the third side at the club. A lot of the boys had spent a few years in the seconds and with the influx of new players to the club it made the thirds a lot stronger with these players coming down. We had a fairly even year, the biggest downer was losing to Swan Athletic four times (who went on to win the grand final) and a shock loss to Whitfords when our numbers were down.

Shane and myself would like to thank all those who helped with the E Grade this year, especially Laura Dinsdale for taking on the Managers job. She did a great job and made sure the fella's were on the ball. Mr. Dinsdale for goal umpiring every week, top job. To Renae Worsley for getting the boys out on the paddock week after week. To Josh Hockley for running boundary, a great job for such a young bloke. All those that helped running water or with any of the small jobs it takes to run a team that go unnoticed, don't worry we noticed.

To Trav Dinsdale captain of Easy Co, thanks heaps, not only on the field but off the field picking gear up, organizing the blokes for different events, getting money organized. The little things that make you a good mate and Captain.

To the rest of the players, congratulations on your year, well done in helping Shane and myself out, especially Shane in his first year as coach, your patience with us was appreciated, especially towards the end when selections became very difficult. Thanks to the blokes like Sheeds, Denno, Hocks and Longy, blokes who would pick up a water bottle or do the running without hesitation. A big thanks to Mal for all you do for the team and around the club.

Finally congratulations to the three other sides who made the Grand Final, bad luck to the Colts boys, keep pushing. Tops and Reserves, thanks for the years great finish, two flags, who could ask for more? Thanks to the other coaching staff for your input and another top job done by the committee from the top down, you have got us where we are now, don't stop!

"We are the best club around"

Sterro and Doyley

P.S. Congratulations to Shane Sterrett, first one to "200" excellent mate, well done!

COLTS REPORT

This year the colts had a squad of 27, 11 of which were second year players. Before the start of the season the team had made two goals. To make the finals and also to be committed to playing disciplined football. We started very well beating Bassendean at Scott Reserve and continued to play quality football through the first round. We believed our plan was on track, until Lloyd Reidy injured his knee against Lynwood Ferndale. We feared the worst Reidy was out for the rest of the season. We also had a little set back when we travelled to Kingsley, within two minutes of the game starting we had another two serious injuries and Kingsley gave us a football lesson. Just before the start of the second round Rhys Rowlands left to go to England and with the top sides injury problems we supplied quality players from the colts nursery leaving the colts with a squad of 22. Phil Dale and myself wondered who had ran over the china man and with Kingsley and Bassendean breathing down our necks, we thought we could be in some trouble. To the teams credit the boys realised that we were in a bit of a dilemma and came through with determination and courage. We had to play Kingsley in the third game into the second round at home. And yes, Kingsley won again. I did not believe we were playing badly, they just had the wood on us. We could see the improvement in what we had been working on at training and we continued through the second round playing fantastic football. At the end of the home and away games we finished on top of the ladder and it was good to see the goals we had set in place at the start of the season achieved. We had secured a second semi-final against Kingsley our arch rivals and our preparation enabled us to win the game and go straight into the Grand Final.

Unfortunately we were defeated in the Grand Final against Mosman Park. Anybody who was in the changerooms after the game and saw the disappointment in the faces of the players could not help but be as moved as all the coaching staff were.

Phil, Dale, Leachy, Louise, myself and the supporters of the High Wycombe Amateur Football Club are very proud of the colts achievements. To the second year colts players who will be moving on in 2004 I wish them every success in their football careers. The first year colts have gained valuable experience in finals football, which hopefully will hold them in good stead next year. In closing I'd like to thank Phil, Dale and Louise for all their support and committment this year.

My congratulations to the Reserves and League sides in winning the Grand Final 2003.

Sincerely Colts Coach 2003

Peter Smoker
