B-RESERVES REPORT

The Reserves had a fairly break even year this year, with about a 50% win loss ratio. There were a lot of games we lost that were under 2 goals.

The Boys were a very even team, we really didn't have any real stand out players, we spread the load evenly and the boys battled on. Not too many sides liked playing us because they knew they would be in for a tough game (In the bulldog tradition) and on our day we could match it with any side.

Our role this year within the club was to make sure the league side made it to the finals, which we achieved and it was great to see a few reserves players push up and keep a spot in the top side. It is our top side that takes us through the grades, if thee not winning we don't move.

We also fell into 5th spot and played a final, however with the loss of a few very important players to our side in Woody, Chocko, Longy, Rob Rowlands and Rob Ryan we were knocked out straight away. However the blokes that took the field did a great job for us.

Also we had a few blokes that came up from the thirds during the year and were great for our side, holding their spots and becoming a part of the reserves side, so Thanks to them for that.

I would like to thank the people that supported me during the year, in Pud whose advice I would seek week in week out and Normie who put in a fair few kms for me as runner; he has a great understanding of the game and is as passionate about it as I am. To Marg another great year as manager, we would be lost without her, Thanks heaps for your help. To Bec & Ron for getting the boys out on the park each week thanks.

Thanks to Mick Fitz for getting the League side into the finals and to Outy for being so patient with the Colt boys, also to Marshy for his support of the reserves both in pushing blokes up and playing himself for us, and Congratulations to him for winning the association B Thirds Fairest & Best, it was much deserved.

To the club many thanks for giving me another crack at coaching. I would like to thank the fellas that played reserves this year for their support and mateship. It's been great to get to know the fellas better and to come out of the year with more mates, thanks to the great game of aussie rules.

COLTS REPORT

What started out as a promising pre-season turned into a disappointing year.

Early on our numbers were as high as 23, but a combination of work, injuries and some discipline problems on the field had our group down to 12-14.

The end result was unfortunately forfeiting our last 2 games.

The year overall resulted in only 1 WIN, but that was not a true reflection on how we played, 4 times beaten under a goal and 8 times under 10 points showed that we were competitive and with a little luck could have won a few more games.

The teams endeavour all year was fantastic and even when our numbers were low; we always played the game out strongly.

The colt's strength this year was their commitment shown towards the club; with training always well attended; Thursday and Saturday nights well supported, and their willingness to play football for the reserves and thirds when required.

The boys when not playing were always seen on the HILL supporting. In a way only the colts could do! (We did have to keep them in check at times).

From a coaching point of view the development of some of our players was promising with a few getting a run with the League side, with Hollers and Yatesy playing a regular role including finals.

While as a coach you take responsibility for results, and I thought all the boys always had a crack and I thank them for their efforts on the field, but I also enjoyed their company off the field.

THANKS GANG

A Special Thankyou to both Sherryle and Dale for their support and efforts to both myself and the team, it was much appreciated.

To Fitzy and Doyley congratulations on making the finals, to Marshy who was unlucky to miss out by a slender percentage.

Finally to the committee and everyone else who has helped and supported the colts this year. **CHEERS**

Well where can I start?

Firstly I would like to thank the President, Vice President and the Committee for giving me the opportunity to coach, allowing me to give something back to the club, where I started at.

Next I would like to say thankyou my sister Kylie for giving me that call, back in January telling me that the B-Thirds were looking for a coach.

Most importantly I would like to say Thankyou to my partner Joanne for putting up with my late nights and bad moods when we lost.

To my merry band of helpers a huge **THANKYOU:**

ASSISTANT COACH - Brett Hockley

Awesome, mate without you it would have been hard to be a playing coach.

RUNNER - Dave Sheedy

Champion, I never have seen a bloke get so excited whether we won or loss.

MANAGER - Mal Haden

Legend, mate I have never seen a person give so much to a club, Thanks for doing the things you do.

TRAINER - Bec

Without you it would be hard to get out there week to week.

CAPTAINS - OWIE & JEZZA

What a year you guys had 200 & 100 game players, THANKS for helping me out every week.

Congratulations to Owie, Jezza, Big Nick, Hilly and Sherro on your milestones.

To the players, you boys are the best side I've coached so far due to the fact that you are hard at the ball, and the will to get the best out of yourself. Sometimes when I wanted to give you a serve I found something positive you had done. Thanks guys.

Well done to Mick & Doyley for making finals.

To Outy well done, if you had had a full side every week your boys would have gone places.

It's a little disappointing for me as a player/coach to miss out on the finals by only 1% but I'm still bloody proud of what the boys did.
