PRESIDENTS REPORT

The season of 2008 was a very good one for the club as we built on some of the hard work done last year. We were competitive and consolidated in C Grade, were able to again have a third senior side and had three of our four sides in the finals. The reserves also managed to play in the grand final after finishing fourth in the regular season and although they finished runners up it was a great effort and the club was proud of their performance.

As our on field performance was much stronger this year, this was matched by our off field performance. Financially we are travelling well. Numbers at functions was good and morale excellent. Thank you to the workers on the committee, for your help and support throughout the year. Many of the committee were again new this year or were in new positions. The efforts of these people allow the club to run smoothly.

Thanks to the sponsors as without their assistance our club would not survive. Their continued support is vital and is greatly appreciated. We were again able to recruit new sponsors to the club this year and particularly our major sponsor Moneychoice.

Thanks to our coaching staff, Michael Outridge, Mark Doyle, Russell Banks and Brad Flavel and to assistants Warren Osboine, Dale McCahan and Geoff Flavel. Thanks to the trainers, Annalise, Phil Sheedy, Coker, Shanelle and Yvette with help from Lindsey. Thanks also to team managers Julie, Marg, Kyrie-Lee and to the runners Livo, Owie, Dermie and Sheeds. Thanks also to Dennis Waugh for setting up the ground, to Frank Scardifield for his efforts on match days and also for his advice and support and to the many water boys and other helpers.

Thanks to the umpires Craig Cherry, Peter Dennison, Kevin Williams and Peter Williams for their efforts and to Jack and the many others that boundary or goal umpired throughout the year.

A special thank you to canteen staff Lesley, Kim and Nicole for the great job they have done throughout the year. Thanks also to Rob Rowlands for managing and updating our website.

Congratulations to all trophy winners.

We have already started planning for next year. I hope to see everyone back at the club as we continue the rebuilding process and look forward to a successful season in 2009.

Go Bulldogs!

C Grade Report 2008

After the year we had last year, 2008 was about development and stabilizing our player group and our position in C Grade. Our main aim was to avoid relegation and to become a competitive football club on field.

This year we had the 3rd senior side the G Grade started slowly but finished the year off strongly and under coach Flavs really threatened the finals just falling short. Well done Flavs and the team.

Our colts' team were extremely competitive all year with a run at the end of 11 straight wins unfortunately finishing in 3rd. They only had 1 chance in the finals and lost in the 1st week. Their season in my opinion was as strong and positive as I've ever seen in our colts history. With 7 colts players introduced in our league side at various stages of the year and all having equipped themselves well. A lot of credit has to go to Banksy for not only the way they played their football but also the way they held themselves during and after games and their attendance at training and club functions. Hope to see a lot of this group continue onto our senior sides next year. Great job and well done Russ and Dale.

Our C reserves side was always there about in the 5 and really played some strong team football all year and in the finals, with the result being unfortunately runners up. Well done to Mark and Wazza in the way you handled the team and a grand final appearance was a fitting reward for you and the team. Again really good to see some of the reserve boys push up and improve their footy. Super year and congratulations to all included.

Our top side hovered and slid around the 5 all year and to finish the qualifying rounds in 4th position. It was really pleasing and a tremendous effort by our playing group. The year itself had plenty of ups and downs with injuries and work commitments making each weeks selection difficult. Every week up to 6 changes made consistency our biggest problem but at times we showed pleasing signs in the way we went about our football. I'd like to thank all our players for their efforts and support and they are a tremendous group of blokes. Looking forward to watching and having a drink next year with the club. Cheers gang!

Like the colts unfortunately we couldn't get over Kalamunda in our 1st final it just wasn't to be. Special thanks to Livo and Julie both myself and the team appreciate the work you put in this year for us both on Saturday and during the week. I know I couldn't of done my job without you both. I'd also like to thank Frank Scardifield for his help and input this year. Lots of people helped our top side out this year and we thank them (Scroopy, Macca, Livo, Sebbes, Dennis, Frank). Special thanks to Hockers and his committee, it's a thankless job but you've all done a tremendous job this year. Hockers special thanks for all your support this year with our top side. Finally I'd like to wish everyone involved in our club all the best in the future and look forward to catching up with everyone next year. Keep supporting our club.

Cheers Outy.

C RESERVES REPORT

A really great year for the club with three teams finishing in the finals and the G grade coming home strongly in the second half of the season.

The Reserve boys had a fantastic year finishing off with a GF appearance although we were unable to win to come from fourth spot and give them a good run for three and a half quarters was a fantastic effort on the boys behalf. It was good to have a few colts boys from last year filter into the senior sides and they will be much better with a years experience under their belts. The players themselves have been fantastic this season really growing as a side as the year wore on , really sticking to the way Wozza and myself wanted them to play and they would easily have been the best disciplined side in the comp. Thanks for your support fellas.

Thanks to Wozza he has been a tremendous help this season, his knowledge of the game and the respect he commands from the players really got us through to the GF this year, his work at training and his enthusiasm for the game really translates through the players efforts week after week. Thanks Champ.

The big O once again was there for us week after week and did a huge job as our runner all year; he is a great club person and a legend of the HWAFC. Thanks Owie your a top bloke and close mate.

Margy thankyou once again for sticking by me as our ressie manager, never have to worry about a thing it's always done and you make my job so much easier. Sorry for shouting at you "HOW LONG TO GO MARG " every two minutes your a special person not only to me and my family but to the HWAFC and we all love you. XXX

Thanks heaps to the HWAFC for giving me another opportunity to coach at HW the people around the club that do all the work get the least praise but without you guys on the committee the club would not run you have done a fantastic job. Also all the people that help out, our great trainers the girls in the canteen our umpires thankyou very much.

Last but not least thanks to my family who barely see me during footy season but put up with me year after year.

Doyley

G Grade Report 2008

With less than a week before the first game we were notified that the club now has a fourth side so I was lucky enough to be given the opportunity to coach. I was fully aware that it would be a massive task to take on but couldn't wait.

With only a handful of blokes at first we had an influx of numbers once the side was put in and managed to field a competitive side each week.

The season got off to a rough start, winning just one of our first seven or eight games. To the boys credit we then had a change of attitude and started getting plenty of numbers on the track and were gaining some fitness plus finally getting to know how each player works.

This began to finally show on the game day as we started to gel as a team. The second half of the season saw a few wins going our way and with some of the guns stepping up their games the rest of the side followed. It was a huge effort by the boys in such a tough season but it's not over because they will be back next year to have another crack.

A special thanks must go to Dermi, Dave Barnes for helping me out with the coaching and also Kyrie-Lee and Bill Scibilla for doing the paperwork each week plus Coke our trainer and anyone else who pitched in during the season thanks heaps.

Congratulations to Jeremy Allan, Jimmy Nguyen and Daniel Smith (Bones) for finishing 1st, 2nd and 3rd in our Fairest and Best.

All three sides made the finals but no side was able to take away the flag so all in all the club was very successful and has a lot to look forward to in the future.

Once again thanks again for the opportunity to coach for the season, I thoroughly enjoyed it and hope you did too.

Brad Flavs

C Colts Report 2008

The start of the season looked to be a very difficult with the lack of numbers at pre-season with a large number of last year's players going up. I would like to thank Ozzey for bringing over from Forrestfield seventeens a large number of players to allow us to field a side. (Thanks Mate)

The season started with a commendable loss to Ocean Ridge but the guys showed some goods signs of things ahead, especially considering that the player group had only been together for 2-3 weeks and were still getting to know each other. As a group of young men they really worked hard at training with great numbers both nights and started to gel together for the same reason. One of the things that impressed me most about these guys was they all filled in a form on there goals etc for the season and they all stuck to it. (WELL DONE BOYS)

As the season progressed we worked very hard on our game plan and discipline and we started to reap the rewards and the results started to come our way. Congratulations to the whole squad this year on having a very good year.

I would like to thank the boys who pushed up to play league this year and showed that our future is looking good as they all held there own and played some good footy. It's great to see that the guys were willing to do the club things both on and off the field.

Special congratulations to Luke Richards, Shaun Boddy, Scott Wolfenden and Kris Nunn for being selected to represent our club in the u/19 state colt's team. CONGRATULATIONS AND WELL DONE.

On a personal note I would like to that Dale and Dermie for there help and support this year without them my job would have been a lot harder, to Kyrie-lee who stepped in to be our team manager thanks heaps and I hope the boys didn't give you to much grief. To Mr Sheeds and Yvette as out trainers thank-you and I hope you both return in season 2009, Yvette you have to come back or YOUR BOYS won't be happy. (HaHaHa).A special thanks to Lukey D and his mum (Mrs D) that washed our jumpers every week, great job.

To the committee of the HWAFC thankyou for the opportunity to coach at great club and your support all year. To Outy, Doyley, Flav thanks for your help and support. To all other support staff thanks.

Most importantly to the players from the Colts of 2008 thanks guys for your support and believing that together we can achieve what we wont. Hope to see you all come back next season and continue to work hard both on and off the field to achieve the ultimate goal in football. CONGRATULATIONS ON A GREAT SEASON.
