PRESIDENTS REPORT

The season of 2012 was a successful one for the club in that the league played in the grand final. Unfortunately we lost but a great effort. Our other sides were less successful but when all said and done a good season. The target at the start of the year was for the club to win a grand final and head to B Grade. We did not win but as a result of playing in the final have the opportunity to go to B grade next year. I am very proud of the way the boys played and represented the club on the field. On the other hand I am disappointed and embarrassed by the performance and behaviour of some of our spectators and supporters at the grand final. This is an area that our club needs to improve as it is damaging our reputation.

This year our off field performance was reasonable but could have been better. Numbers at functions and on Thursdays and Saturdays were down. The ladies and gentleman's nights, the Mexican night and the 21st birthday were season highlights. We announced a new team of the decade. We have also started a strategic planning process to determine the future direction of the club. Financially due to the lower numbers after games and limited number of functions we have struggled and may end with a loss for the year. This is also something we need to improve next year.

Thanks to our sponsors, their continued support is vital and is greatly appreciated. Without them our club would not survive.

Thank you to the committee of Sheeds, Marg, Davina, Julie, Rob Ryan, Rob Jansen, Hollers, Kyrie-Lee, Keith, Barney and Tom for your hard work, help and support throughout the year. Thanks to Coke as property manager and also to the set up and pack up crews and canteen helpers. The hard work of these people allows the club to run smoothly.

Thanks to our coaches Doyley, Weazel and Banksy, Wazza and Dermie, Dale and Robbie, Butch and to Owie as the coach of the Integrated team. Thanks to the trainers, Lauren, Rebecca and Sheeds. Thanks to team managers Marg, Julie, Kyrie-Lee, Kylie and Kirstie to the runners Norm, Billie, Kade and to the variety of volunteers that ran for us throughout the season. Thanks also to Dennis Waugh for marking out the ground every week and to the many water boys and other helpers.

Thanks to umpires Peter Dennison, Jay Burgess, Craig Cherry and Kevin Williams. Thanks also to Ryan Hockley, Jonathon Sheedy and the many others that boundary or goal umpired throughout the year.

A special thank you to canteen staff Christie, Sarah, Cassandra, Kevin, and Ryan for the great job they have done throughout the year. Thanks also to Rob Rowlands for again managing and updating our website, to Dale and Leanne for the variety of printing they have done for us throughout the year and to Sherryle for compiling the year book.

Congratulations to all trophy winners. I hope to see everyone back at the club as we look forward to another successful season in 2013.

Go Bulldogs!
Brett Hockley - President

INTEGRATED REPORT 2012

This was the second year of our Integrated team. This is our team for players with intellectual disabilities. The competition started a few years ago with three clubs and has grown to five clubs and this year expanded to six teams. It is great to be a part of this competition and fantastic that our club is able to give these guys an opportunity to play the great game of AFL football.

We started the year with 5 players and have increased to 8 by the end of the year. Thankfully other clubs have been able to provide us with some of their players on match days to get us on the park.

Thanks to Captain Jack and to Harry, Peter, Greg, Ryan, Darcy, Michael and Jarrod for being part of our club.

Thanks to Owen Bancroft for coaching the team and thanks also to David Sheedy for stepping in to help out towards the end of the year. Thanks also to the parents and carers for their support.

The Integrated competition has been great fun to be a part of again this year. It is very rewarding to see the guys enjoying their footy. This is also a very important program for our club and is an area we need to build on in the future. The immediate focus is on increasing our numbers and this something we will work on for next year.

Well done to all involved and I look forward to next year.

Brett Hockley
Umpire

C1 GRADE REPORT 2012

In what has been a terrific year for the league side on the field we have also had our share of bad luck early losing Hollers, Scarders and Rukkas to season ending knee injuries which really put us on the back foot for some time as we shuffled the side to find the right winning formula for our players. On the up side these injuries to key players gave the opportunity to play some young players throughout the year and the blokes that stepped up especially Adam Howard and Tim Miller to carry the ruck for us has worked out to be a huge bonus for the club, these two blokes have done exceptionally well in a difficult position to fill and gained valuable experience.

Our first half of the season as we adjusted to our player losses saw us lose 3 games, in these games we got smashed once by Wanneroo away and then by Ocean Ridge and Bullcreek at home which was hugely disappointing and unacceptable, I think these games gave us the motivation we needed to make sure we turned these games around which we did when we met these sides again, making sure that they knew High Wycombe was a force to be reckoned with and giving us ten straight wins and very good form heading into finals.

The league team managed to finish second this year by percentage only as equal top and only lose the three games great work fellas, bring on the finals.

We brought home some of our past juniors this year which really bolstered our player list and also gave us vital experience within the team and I thank those players Michael Johnson, Brett Wolfenden, Garth Taylor, Trevor Johnson and Cam Boddy for heading home to High Wycombe to help out the league boys who have battled manfully over the past seven years in the C Grade comp.

Thanks to Neil Worsley and Russell Banks for their invaluable advice and experience over this past season and for their support as assistant coaches in 2012 it was fantastic to see things from a different perspective and have the chance to discuss all options to find a winning formula.

A big thanks to Marg for once again carrying the managers role in 2012 she just makes it easy for me to concentrate on coaching knowing full well that she has all the other aspects of the league team covered as well as doing the treasurer's job which is a huge effort thanks Margy.

To our runners this year, once again Norm Edwards who I know I can trust and turn to, to seek truthful advice on how I am coaching and how the team is travelling, cheers Norm and thanks for all the lace out kicks you gave me when we were playing (he wishes) to my boy Billy who did the first 3/4s of the season thanks mate sorry for the swearing and sending you to get Dell off a great job mate and good experience for you. Many thanks to Kade McKenzie for his running duties it's great to see him back on the track at training and still being a part of the league boys by helping as a runner, he was itching to play a game but I asked him to wait for preseason 2013 just to give him that extra time to recover fully cheers mate.

C1 GRADE REPORT 2012 cont.

Thanks to the committee for the opportunity to coach again this season and for all your hard work that goes unseen by many it's a difficult job and people don't realise what it takes to run a footy club so hopefully we can get many more on board for next season to help spread the load. To Coke a magnificent job as property manager this year and the club would be lost without a 'bloke like this working as hard as he does, thanks mate. To all the other coaches Wozza, Dermi, Dale, Robbie and Butch thanks heaps for all your support in pushing up players to the grades above, I know it was a bit disappointing wins wise but the boys were always competitive and that's all we can ask we were hit very badly with injury this season with about 7 knee recons. Well done and thank you. To all the players who played this season thank you without your support your league team would not have been able to make finals footy I hope we can do you proud.

To Lauren and Rebecca what an asset to our club you are, great girls who did a fantastic job as trainers with a very good knowledge of injury management I really hope you will continue with the club. To all the league boys who played this year thanks for your support and advice but most of all thank you for your efforts on the field our attack on the footy and opposition our pressure and tackling was just inspiring to see it's what I believe High Wycombe is truly made of and you blokes are High Wycombe.

Thanks to my family Georgie, Tayla and Billy who lose me every footy season thanks for putting up with me.

Congratulations to all the trophy winners this season.

Cheers Doyley.

C1 GRADE FINALS REPORT 2012

After a solid second half of the season the league boys won themselves second spot on the ladder only second by percentage giving the side a double chance and home final.

Week one saw us meet Melville at Scott reserve and promised to be a close contest after the two close home and away games, the game lived up to the hype and the game was one of constant pressure by both sides but our boys worked hard enough to hold onto a small lead and run out victors for the 3rd time v Melville.

Week two saw the bulldogs head out to Beasley reserve to face Bullcreek who had earned the week off and we had won one game each during the season. Bullcreek got off to a massive start and I think we were a bit shell shocked for the rest of the game however the lead we gave them is what the difference was at the end of the game we learnt that you cannot give sides a start.

Week three and after licking our wounds from the previous week we put plans into action to meet Melville for a fourth time knowing full well that a grand final berth was at stake the boys turned it on and with Melville never laying down it became a goal for goal day with fantastic contests all over the ground, the boys found the strength to battle out the game and win by 20 points giving the league side its first GF appearance since 2003.

The GF saw us head off to Claremont oval to face Bullcreek once again, we were all full of belief and confident in our abilities and we knew whilst it would be a tough tight game once again, we thought we had the momentum to get over the top of Bullcreek, we started the game really well and once again it was a goal for goal proposition the boys battled on hard and it was pretty even at half time, for some reason in most of our games we have a lapse and that came in the 3rd quarter for us this time as Bullcreek put their foot down and got away to a 40 point lead at 3qtr time which was damaging but not undoable we asked the lads to give their all which they did and they fought back strong we just dominated the last but unfortunately the lead was too much and we went down by 8 points, we had our chances and its probably one that got away from us in the end, but you only get the one chance on the day.

All in all it was a bitter disappointment but with the amount of young kids playing it shows plenty of promise for the future of the club.

It would have been great for the club to have a league flag on its 21st birthday but it wasn't to be. Great season lads.

Cheers Dooley.

C1 RESERVES REPORT

WOW what a year we have had again!

We have had several serious knee and ankle injuries. Not to mention those that went travelling! (I wish they wouldn't go through football season)

I would like to congratulate Doyley and the League boys for making it into the finals. Good luck!!

To Butch with the thirds, well done for what you have done, you have worked extremely hard this year with the boys. For all the help that you have given me, thanks heaps Mate! Hope to see you there again next year.

To Dale with the Colts, they had a very good start to the year, then just faded away and didn't make the finals. I know this was disappointing to you for all the work you put into them. Good luck with what you do next year Mate!

Well done to Hollers as well for putting his hand up and finishing the last few games with the colts, you did well Mate and I think the Colts boys enjoyed it. Hollers was really good with the players and brought the best out of them, well done Bud!

To my Ressie boys we tried really hard all year! When we were on, we pushed every side to the limit, but when we were bad we were terrible. We just couldn't find anything in between, the good and the bad! But thanks to all the boys who played Ressies and put in an effort all year - Cheers Boys!! Hope to see you all there next year!

To all my helpers, Dermi my assistant coach well what can I say, you're a legend mate! I can't say it enough "thanks" for everything you have done for me and the boys. We are a good team, but whatever you decide to do next year I will back you 100% mate, Ta!

To Jules my manager, my footy "bitch" and good friend thanks for everything again! Thanks for everything you have done for me, the rессies and the club you are an absolute SUPERSTAR! I can't do any of this without you Jules, thank you very much!

Another big thank you is to my runners throughout the year Chocco, Binga and Steve Barnes, cheers heaps boys you all were a great help!

To the two trainers Bec and Lauren, a very big thank you. Both of you were a fantastic week in week out! We hope to see you both again next season, you are both a big part of our club, well done girls!!

To Doyley, thanks for everything you have done and said mate! Words can't express what you mean to me as a coach, clubman and a mate! You are an absolute legend to me. We work so well together I have enjoyed the ride we have had for so long. I don't want it to end, but whatever happens next year I will back you all the way mate! You are a very very good coach and I have learnt so much from you. Thank you much mate and I will see you next season.

To all the committee thanks heaps guys, without you guys the club is nothing you all do so much more than what people would know.

Thanks again all!!

Hope to see you all next year!

GO DOGGIES!!

Ressies Coach Wozza!!

E2 GRADE REPORT 2012

A tough season was had by all 65 players who passed through the playing group. With these sort of numbers it is evident that the club has depth enough to field a 4th senior side.

All though the team from week to week was vastly different we managed to pull together 6 wins for the season. Along with the 6 wins by the team we had a near competition goal kicking winner in Jarrod Farrell who came second with 15 goals for the season. The individual awards this season went as follows.

Fairest & Best: J. Nguyen

Runner up: J. Farrell

Most consistent: J. Allan

Most improved: T Ward

Best team player: J. Altman

A very big thanks to Kylie, Kirsty for doing a great job managing and to Sheeds for his efforts as trainer. Also thanks to both of the Parso's and Billy for their assistance during the season but most of all thanks to a great bunch of guys that made the season extremely enjoyable.

I look forward to seeing everyone back on the track next season with a view to greater success.

Butch

COLTS REPORT 2012

Great effort everybody at the footy club this year and a big thank you to everybody that contributed to the Colts side in various forms.

We probably underachieved when you look back on the win loss ratios but you wonder where we went wrong taking into account that we defeated both the sides that played off in this years Grand Final. Not only did the boys defeat the 2 premier sides but they were two of our bigger victories beating both by over 40 points.

The season started way back in the 3rd week of January with many of the boys even doing the few weeks leading up to Christmas. So it was a long season for some but the ones who did big pre-seasons were still going strong at the end. As with every season injuries play a big part in how your season pans out and that along with the issues of blokes work loads and FiFo element team make up can change constantly week to week.

We started the season with good numbers by round three we got up to 36 colts but on 3 occasions in the mid to later part of the year we at times struggled to get 18 on the paddock. The low light of the season was in round 2 playing eventual premiers Wanneroo where we went down to them by 129 points, and only 4 rounds later we produced probably the highlight of the season playing Wanneroo again this time beating them by 44 points that being a 173 point turn around in just four weeks. The boys were always capable but just probably lacked a bit of true belief in themselves and each other, the good part being that the core group stuck together right to the end.

Now there are many people to thank firstly to Hockers and all the committee thanks from everybody for everything you all do, you guys are the true backbone of the club.

To all the other coaches, assistant coaches, runners and team helpers thank you all for another quality season at our great club. Special mention to Doyley, Neil, Russell and Normy, great job with the league boys. To all of my colts players thank you all guys you are a great bunch of young men and the future of our club, stick together and success will come. To the leadership group thank you for your contributions, Joel, Macca, Pete, Marcus and Jonte you all really grew as players and leaders and I thank you all for a great job, well done.

Robbie Rowlands you are a wonderful bloke and great assistant, your input is so valuable and welcomed by myself and all the boys and can't thank you enough for a couple of great years we have had together. Steve Barnes yet again you put yourself forward to help us mate and it is greatly appreciated. Now to our newest member of the team Ralf Stewart, you are a true champ doing the running for us so much of the year we are all truly grateful for your hard work. John Alers behind the scene doing stats for us every week not seen but so necessary and very much appreciated, thanks mate. Our wonderful manager, Kyrie-Lee, puts up with all the boys crap and excuses every week but never lets them get away with a thing, myself and all the team love the work you do for us.

To all our training staff Lauren, Rebecca and Sheed's thank you all for keeping the boys in one piece all season, special thanks you to Coke for all his great behind the scenes looking after all the gear and having it ready to go for us on training nights and game days, terrific job. Finally to my wife Lee-Anne and my family, thank you for your help and support throughout the year.

Just one special mention to finish, thank you to Hollers and Doyley for your help in the last few weeks of the season the boys enjoyed it and I certainly appreciated it.

If there is anyone I have forgotten my apologies but to everyone at the club thank you all for another enjoyable season, well done league boys you did us all proud, see you all in B grade.
