PRESIDENTS REPORT

THE COMMITTEE

I would like to express my thanks to our committee for the 2016 season & to the Members for the support shown to your club.

I wish to thank David Barnes for his continued input & contribution in the Vice Presidents role again this year. As mentioned in the past, Dave no longer has family playing at our club but continues to be a valued member. Let's hope you are able to continue again next year in this role.

Cheers to Dave Howard who started the year as Treasurer, but was not able to continue due to work commitments. I would like to make a special mention & thank you to Narelle Worsley & Dave Sheedy for taking on the treasures role for the second half of the year as well as maintaining their other roles within the club.

Thanks go to Renee our secretary & although we have still butt heads, she has been doing a fantastic job & to Davina who has handled all the transfers, player rego's & match day paperwork etc. in her role as Registrar.

We are blessed to have committee members who perform multiple roles such as, Georgie who controls & helps in the canteen & bar, assist in match day duties as requested & many other roles as needed including social events. Narelle with the treasures job, colt's team manager, bar & canteen helper & social organiser. Laurel who joined the committee this year & spends many hours ordering food & drinks for the club in her own time & then staffs & runs the canteen & bar on training nights & match days.

Big thanks again to CJ who looked after all clothing requirements again & was on the social committee assisting with functions, Dave O'Connor served for the first time & assisted as requested. These guys represented the playing group & we enjoyed their contributions. It would be great if we could get more player involvement to help spread the load. I think that many players take too much for granted & serving on the committee gives you a great inside into the efforts required to run a club.

Dave Sheedy with his role in helping with the treasury, for his contribution in representing & coaching the integrated side, the efforts made by him & Brett Hockley have gone a long way to truly integrating the integrated side with the rest of the club, well done guys.

Once again, I can't thank Mark Doyle enough for his all-round efforts. This Guy coaches & sponsors our great club & he attends all meetings & represents the coaches & players. Every time I ask Mark to assist with anything, he does so without any hesitation. It's like having a second VP around the place, Cheers mate.

Thanks again to Robert Rowlands (life member) for his time & efforts. Rob co-ordinates the Votes & the count & assist in all web site updates.

My last big thank you, goes to Mark Bloomfield (aka Coke - life member). The mountain of work this guy does is awesome & often taken for granted. Many people wouldn't know the hours you put in setting up the ground for match day & making sure on all occasions the water bottles are full & the balls inflated Thanks again for all you have done to make the club a better place to be at. Your contribution is noted & truly appreciated.

I would like to add that we have currently got 4 life members serving on the committee & several others that help around the club in other roles. I am thankful to you all for not resting on your laurels & continuing to serve our club.

THE CLUB

Once again we have had a moderately successful year on & off the field. The purchase of a fill system, that when we work out how to utilise its functions, will be of a great benefit. We re-designed the integrated jumpers & the Away strip & purchased new kits & embarked on a fundraiser for charity, something never tried by our club before. This was a great success & we were able to raise a substantial amount of money for BCCWA.

THE HALL OF FAME

We did not receive any new nominations for the Hall of Fame for 2016, but I am sure we have members that are surely on their way to future hall of fame status

THE COACHES & THE TEAMS

It has been a hard year on the Field & our coaches have done fantastic jobs. Mark Doyle (life member) as usual, putting in many hours & unfortunately this year, not reaping the rewards deserved for your efforts. Thanks to Warren for stepping into the Reserves role & allowing us to Bring Kyle Quirk to the club in the colt's coaching role.

We had a very even year in the league & reserves, but failed to reach finals in both grades. When I wrote this report, the colt's team were about to commence their finals campaign. They finished minor premiers with less games played than the rest of the comp. losing on only one occasion during qualifying. I think that Quirky (the funny one) has brought a much needed breath of fresh air to our club & sincerely hope he puts his hand up to coach again in 2017. I hope that we are colt's Premiers when you are reading this report.

A big thanks to all the assistants thru the grades, Norm Edwards (life member), Dale McCahon, Chris Bain & John Watters. Thanks also to the team runners for all your efforts.

Our integrated have also performed well this year & are embarking on their own finals campaign. We wish them all the best & congratulate coaches Brett Hockley & Dave Sheedy (life Members).

Congratulations to all trophy winners for 2016 season, on your personal achievements.

THE WORKERS

Thanks go to James Worsley & Bryce Sinkers Sinclair for umpiring this year. To Guy Worsley who ran boundary in the second half of the year & the young guys who help out during the year. To Kurtis Worsley (colts) & Leachy for doing the goals in C2 league & reserves. Thanks to Craig Dermi Gallagher (life member) for umpiring the integrated games again this year.

Thanks to anyone who assisted on the score board during the year & those who ran water.

Thanks to all team managers, Marg Williams (life member), Jason Barker & Narelle Worsley. Thanks go to the trainers Shelley, Michelle & Mr Sheedy (hall of famer), we hope see you all return next season.

Thanks to our canteen & bars staff, great job done by all.

Thanks to Dani Grill for doing the margin Tickets on game days & to the players who have helped stack fridges & run fundraisers & functions.

THE SPONSORS

Finally, to our sponsors. Clubs cannot function without your support, so thanks very much & I hope we can depend on your continued support for the future.

BREAST CANCER CARE WA FUNDRAISER

On Saturday the 2nd of July, the football club held a fund raising event in aid of Breast Cancer Care WA. Our league side wore a special made guernsey, in a very entertaining game against Ballajura to raise awareness to the cause. That evening the club held a very successful fundraising ball at the local community centre. The club auctioned off the playing jumpers and numerous other items that had been so kindly donated from members of the community.

It is with great pride & enormous pleasure that I am able to announce that the final figure from the HWAFC BCCWA STEELBLUE fundraising Ball is \$15123.88.

This figure has surpassed our wildest expectations & I am so pleased with the efforts of, not just our Club but the locals who got behind the event, our Sponsors & donors & volunteers. A huge thanks to the Committee Members who worked tirelessly in setting & cleaning up, finding donors, sponsors & helpers to ensure the night was a big success. A big thanks to Glen Jakovich for being MC on the night & for the great job he did.

We were blessed with some very generous club & non club members who dug deep to participate in all the raffles & auctions.

We raised \$3815 on the playing jumpers from the day's game, \$6360 profit on auction items, \$1620 on raffles, \$1692 on the Bar & \$1636.43 on ticket sales & the balance came from the charity buckets on the tables.

We would like to thank the follow businesses & People for the Kind Donations;

When we approached Ross & Steelblue to partner this Event, we had no idea that the foundation receives no Government funding & it therefore became an easy decision to have BCCWA as the sole recipient of the funds raised.

We hope that the funds raised help.

C2 GRADE REPORT

A disappointing year for the league side this year we really couldn't achieve any consistency within the team as we had about 50 players go through the side this season. We always like to set out to play finals but due to commitment issues within the playing group towards training and game day we have missed out in 2016.

When we played well we were nearly unstoppable with a few highlights at Canningvale and Wambro where we found the will to be able to fight back into games from well behind for a win and a draw. Boys I know the standard we can play when we put our minds to it we just couldn't produce it enough this year but thanks for all your efforts.

We must really thank all those boys that pushed up from resses and colts to support the league team this year, we found out that there are many league players in the making which makes for exciting times ahead.

Our preseason numbers were poor and late starts for a lot of the league players did not help the cause if we want to be a good side we need about 30 fully committed players from day one of pre-season until the last day of finals this did not happen with players sick, injured, working, taking holidays or family commitments, I guess that's just the age of the group now and our attitude to footy is an "Oh Well" approach, not for all the players but for too many to make us a dangerous side, it makes it very hard to coach under those circumstances.

A big thank you to Norm and Dale who gave great advice to me during the season and came up with some great drills for training. Thank you Margaret for your role as our manager again, it is greatly appreciated.

To Wozza and Bainey great job lads, they are always happy to throw up the names of the blokes going well in the two's who they thought deserve a crack in the league really great club people to have at HW.

To Quirky and John both a breath of fresh air at the club really great job boys, our colts are the shining lights of the year with a great home and away record so far, this group who have been together for some 5 to 6 years really deserve some reward for that effort they have put in at junior level and now at the senior club. I really hope all the best for them in finals and the rest of the club could have learnt a thing or two on how to play this season, they have been outstanding let's get behind their finals campaign.

Hocker's and Sheed's have done another great job with the integrated crew and this year hopefully they can play deep into finals territory thanks fella's for a job well done.

Thank you to the committee for giving me a go again and you have all worked really hard this season to make the club work, I appreciate everything you have done, especially Neil he has gone above and beyond to make things happen and although he gets pretty cranky he has been the best man for the job. All the trainers Shelly and the crew great job and Mr Sheeds great to see you back around the club you're a godsend. To Coke awesome job once again buddy always putting the club first.

Laurel you've done a great job with the canteen and all the girls who have worked and helped in there over the season thanks very much for making our club great.

To my family especially George thanks heaps for your understanding and support you have put just as much into the club as I have over 20 odd years and I am very blessed to have a family that also loves my passion for the HWAFC.
