Presidents Report

The Committee

I would like to take this opportunity to thank the 2018 committee & all those who have served during my Presidency. Thanks to Narelle for putting up with me & helping with the role.

To the executives, Special thanks to my VP Dave Barnes, Treasurer Dave Sheedy, Secretary Julie Harrison, Registrar & bar/canteen co-ordinator Kyrie-lee Sleath.

Cheers to all general committee. Mark {coke} Darren, Bails, Monster, Donna, Laurel, Dani & Jen. Your work has not gone unnoticed, well done to you all.

Rob Rowland for once again coordinating our vote counts & the year book again, you're a champ.

The Club, Coaches & the Teams

The club was given a reprieve & we were able to maintain our c2 status after being relegated at the end of 2017.

This year the club made changes to all but the integrated coaches. We welcomed back a former League Premiership captain in Kevin Mac, Leading Goal kicker in Shayne Long & former Swans u17 champion Scotty Tomo. Kev took the reigns as club/league coach with Tommo looking after the 2's & Longy the colts.

The senior side didn't take long to gel under Kev & we found ourselves very competitive & winning games regularly. One week out from finals & we were playing for a possible second place on the ladder, this wasn't to be & we finished the year 3rd & in the finals.

We also grew our association champions club by one, with Jayden Magro adjudged to be the WAAFL C2 Best & Fairest for season 2018. Well done mate.

We had a much better year in the reserves & managed to string some good wins together in the second half of the year.

The colts fell one game short of playing finals & we struggled at times this year for numbers. One can only wonder how far if players trained & committed to the team.

Integrated played in the Big one again this year. They set the standard in the competition as they had done the year before. Unfortunately, they came up short in the grand finale, going down once more to a side with, in my opinion, questionable standards.

Thanks to all the coaches & those who took on assisting roles during 2018. I wish you all the best moving forward.

The hall of Fame

We did not induct any Members this year to the Hall of Fame & due to a change in the club's constitution that honours 200 senior games with Life Membership, the club will need to review the Hall of Fame criteria moving forward. Congratulations to those who have qualified for induction as life members.

I would like to take this opportunity to congratulate all trophy winners for 2018 season, on your personal achievements.

The Workers

A massive thanks to those who stepped in and assisted Coke & myself with ground set up & pack away, too many to mention, but thanks, you guys know who you are.

Thanks go to James Worsley & the lads for umpiring this year. To all who ran boundary's this year. To our goal umpires in all grades, thank you. Thanks go to Craig Gallagher for umpiring the integrated games again this year. I believe that Craig is hanging up the whistle, cheers for doing an amazing job mate.

Thanks to all team managers Dani [L], Donna [R] & Julie & Laurel [C]. Thanks go to the trainers, Shelley who returned for more punishment & Nat [new to the seniors this year] we hope see you all return next season.

Cheers to all those who helped stack the fridges & worked the canteen.

The Sponsors

We were lucky enough to retain our Major/jumper sponsors for 2018 & hope they will return next year & continue to assist our great club's growth. Clubs cannot function without your support, so thanks very much & I hope we can depend on your continued support for the future.

President 2018

C2 Grade Report

Firstly, I would like to thank the High Wycombe Football Club and committee for giving me the opportunity to coach the league side this year. It was an honour and a privilege.

Before the season began we made the decision to stay up in the C2 competition, this was a tough decision to make considering the results of the previous year.

To be competitive we felt we needed to improve the list and our numbers to create pressure for spots within the sides. So preseason Dale, Scotty, Longy and myself contacted everyone we could think of to achieve this. We knew attracting players to a club that struggled the previous year was going to be tough. We had 8 training sessions before Christmas and although the numbers weren't bad, it was clear players were not convinced that the club was turning it around and this made it even harder to convince players to come back, let alone attract new players.

With the choice to remain at the higher level, we needed to hit the ground running and that's where Ross McKenzie came into it. Ross was brought on board this year as our strength and conditioning coach, he has done a great job getting the fitness levels up which made us a competitive side this year.

When the season kicked off I must admit my goal was for us to be competitive throughout the year and have a few wins, and this was mainly due to the number of players we had playing together for the first time along with knowing it takes time for them to gel, so I was happy to be patient

As the season went on we had to reassess our goals as the belief in each other grew along with our confidence. We became genuine finals contenders by mid-season.

As I said at the start of the year, everyone who was capable of playing league footy and wanted to would get that opportunity and I'm pleased to say we followed through on that. I was wrapped with the colts that stepped up and played league this year; every one of them showed that they will be a great asset to the future of this club. It was also a credit to the resses that forced their way into the league side as well.

The on-field things were working, however the off field social side needs work. Thursday nights and after game turnouts were poor especially considering we were winning games and it's the best time to get to know your team mates and make good friends.

Finals came, and we were only just a few percentage points off second spot which would have resulted in a home game to kick the finals off, if that was the case things may have turned out differently. Never the less to have finished equal second and play in two finals was an outstanding effort and you should all be proud. I look forward to seeing if we can go all the way next year. Well done fellas.

I would like to thank my assistant coach Dale McCahon for all his help and support, especially before the season started chasing past players he made my first season of coaching senior footy a lot easier thanks mate.

To Ross Mac a big thank you for getting the group fitter than I have seen them in a long time which went a long way towards the results we got this year, thanks for all your advice throughout the year.

Thank you to Danni our manager, you did a great job and were always so positive and happy, even in the most trying situations.

To Scotty Thomlinson and Shayne Long, thank you both for coaching the resses and colts respectively, thanks for your support and your understanding come selection time not to mention your on-field efforts. Thank you very much

To Julie and Kerri-lee thank you for all your help during the year, they were always happy to help when I needed something done or organised.

To our trainers Shelley and Nat they did a fantastic job all year, they are very professional and our players should be thankful they were in such good hands. Thanks very much.

To James Worsley who had the hardest job this year, thanks a lot for being our umpire.

Macca
League Coach

C2 Reserves Report

From the start of the year I knew taking on the role to coach the Ressies was going to be a big challenge that I was willing to take on. I wasn't sure on what to expect and neither did my team and after our first round struggling for numbers and coping a big loss in my first coaching experience I realised the challenge was much bigger than I had gathered.

The next 3 games weren't getting any better with all losses and I wasn't sure when we would win one. I was also concerned that with the team already with 2 yellow cards and a red I would be suspended due to the new points-based system to keep teams in check.

I felt keeping positive was the only way to move forward, we still had an alright number at training along with a few dedicated boys, I knew if we just kept at it a win would be very soon. I was still finding my feet as a coach, learning how and where my boys played and finally we grabbed that win. To sing the song with my side for the first time was so sweet.

With one win on the board and a big season ahead I needed help, so Weasel jumped on board giving me a great support, his good knowledge of the boys and how to play them was awesome thanks mate.

Brinky stepped up to become my assistant coach, so Weasel could focus on his other duties. Brinky was very keen and he brought a new dynamic to the team with more structure and discipline. Brinky did a great job alongside me, he also stepped in coaching a few games when I wasn't available, especially throughout the second half of the season which was special as we had some good success shaking up a few of those top teams and winning a few of them. Some big thanks for what you brought to side and for all your assistance throughout the year.

I would like to thank Donna for all her help managing the side, I couldn't have done any of it without her. Every week she would be there slapping me into action and would be getting all the grind jobs done, she was a major part of the team thank you.

To the club and the many volunteers that help throughout the year a big thank you.

With my first year as coach at its end, I reflect on the year with a sense of pride for what we accomplished. To my boys I hope I gained your respect because the way you have gone about the year and finishing it off the way we did you very much have gained mine thanks guys.

Thomo

Laurie Keene Colts Report

I'd like to start by thanking everyone that helped the colts this year. It was always going to be a struggle with us spending half the year playing at different grounds, to the water boys that did what they could before having to take off to their own games, cheers. Thanks to Laurel, Kyrie-Lee and Jules for stepping up and taking their turn to manage the team when needed, really appreciated.

A huge thanks goes to my runner Princey (who got thrown into the role at last minute), an absolute top bloke who knew exactly when the boys needed a rev up and when they needed a calmer head. A great bloke to have back at the club, couldn't have done it without you mate. Thanks also to Macca for assisting me whenever possible, his knowledge of the boys and football in general was a great help.

Lastly thanks to the trainers for getting the boys on the park each week and to all the volunteers in the canteen and around the club that make it possible each week for the colts to have a kick.

Now to the on field, we struggled most weeks for numbers, both on game day as well as during the week on the track. When we did get good numbers that showed up and switched on on a Saturday morning we played some really good football, but unfortunately this didn't happen often enough to get us into finals. I honestly believe we had the most talented squad in the colt's competition this year, but talent won't take you all the way, attitude plays a bigger part in where you finish. I hope by missing finals this year after being so close to winning a flag for a couple of years it gives the boys a wakeup call and they can come back next year and dedicate 6 months to the game and club and achieve something that will last a lifetime.

Finally, congratulations to all the colts that got a taste of league footy this year, you all played well when given the chance and should hold your heads high. You will all be better for the run.

Cheers

Longy.

Integrated Report

Another very successful season for the High Wycombe Integrated Footy team in 2018. This year we won eleven home and away games and lost two finishing second on the ladder. We then continued our season by winning our semi-final against CBC Green and advancing to the grand final. Unfortunately we were beaten for the second year in a row by an experienced, quality team in Coolbinia who have now won the last four Integrated premierships, although this year had to come from fourth spot to do it..

Our numbers remained strong with 29 players representing the club throughout the year. While it was disappointing to again lose the grand final this year, we have had another strong year with great support from parents and carers to get the players onto the ground and helping out during games. I am confident that players enjoyed games, training and even the carpooling to get to away games. We have come a long way considering that our best result in our first four seasons was a draw! Target for next year is to keep improving and hopefully be in the grand final again chasing a flag!

We were again involved in a curtain raiser game this year before the West Coast Eagles vs Geelong match at the new Optus Stadium Domain Stadium with six of our players and two of our coaches participating in the game. We also played our round 15 game vs Coolbinia at Steel Blue Oval Bassendean, prior to the Swan Districts vs East Perth league game to promote Integrated Football. Players from all grades including the Integrated were issued with Ronald McDonald House silly socks to support inclusion and disability services. Thanks to Swan Districts Football Club for organising and hosting us on the day.

Congratulations to Graeme Govan and Alex Seymour who were selected in the Integrated State team that went away to Tasmania. Graeme had the special honour of being named captain of the State team and they were successful in winning Division 2 of the carnival.

We again had Forrestfield and High Wycombe Community Bank (Bendigo Bank) on board as sponsors and really appreciate their support in providing jumpers and club shirts for the players.

Thanks to Captain - Graeme Govan, Vice-Captain Matthew Safe, Assistant/Co Coach David Sheedy, Assistant Coach Glenn (Rowdy) Lammonby, Umpire - Craig (Dermi) Gallagher, Team Manager Terri Miller, Goal Umpires Bruce, Nick, Brian and others, Runners, Alex, Graeme, Anthony, Jim, Sean, Ground Preparer and Part Time runner Mark (Coke) Bloomfield, and all others who ran water for us throughout the year. Thanks also to Kyrie-Lee Sleath for sorting out the team sheets and entering results for us each week and to Rob Rowlands for collating the weekly best player votes and presenting them for our vote count at the Integrated windup.

I would also like to thank the various parents, carers and others that helped out throughout the year, to the committee for their continued support and to the players who make being involved in Integrated Footy so worthwhile and so much fun. A special thank you to Craig Gallagher who is stepping down as umpire after being involved as a coach or umpire since we started the Integrated team and to Neil Worsley who is stepping down as President but has also been a great supporter of our Integrated team.

Congratulations to all trophy winners and we look forward to continued improvement for the Integrated team next year. Go Bulldogs!

Brett Hockley (Hockers)
Integrated Coach
