Presidents Report

This year presented many new challenges, in particular COVID19. A massive pre-season was underway with huge numbers across all grades, then COVID hits Will We Play?? The season was shut down all be it only for half of it and Yes, we did compete and competed well. With this our entire club adapted and adopted new rules with many different and difficult Protocols and Hygiene Guidelines. It was great work from everyone at the club following this through and setting a high standard throughout the competition.

Our culture continues to improve, our members are to be commended for the continued improvement. I will continue to be the driving force behind adopting a greater understanding to improve our cultural and behaviour footprint which will help attract new players, members, supporters and retain existing in the coming years.

It has been great to see Life Members supporting the club and I encourage you all to get down to our great club in 2021

Our sponsors continued their support, new sponsor support has been great and is appreciated particularly during this season, one that has seen challenging times for business. The continued growth of our sponsorship base remains high on my agenda, moving forward big business and grants will be a major focus in the 2021 season.

People who volunteer their time has been massive once again and is very much welcomed. Your assistance to myself and the football club is appreciated. I do however encourage more members to assist in any way possible. There have also been many various donations of goods and services throughout the season which is appreciated by us all.

To all our staff members - Bar, Canteen, Trainers, Umpires and Coaching Staff what a great and professional job you all continue to deliver. Thank you.

We have experienced great success and improvements throughout all grades.

Women just short of a finals berth

Integrated making yet another strong performance during the season proper which set the team up to make the Preliminary Final.

Reserves achieved the right to compete in another Finals campaign

League a massive achievement to make the Grand Final, we saw Ben Armstrong take the reins for his first year and what a great job he has done. He guides our entire Football Department and has gone over and above the normal senior coaching role expectations. I make mention of the work he has done with the Integrated team attending their training sessions and a massive dedication in getting the year 11&12 juniors involved with the club.

Our player numbers remain healthy, it is great to see so many new and old faces around the club. It is extremely encouraging for our club to be in a great position on field moving forward. As we continue to evolve on field our supporters and community have enjoyed our success throughout all grades with plenty of off field support attendance at games, staying back after training and Saturday's after games at the club. The support has been massive, and the club finances have benefited accordingly.

Congratulations to our Perth Football League Association Fairest and Best award recipients, this is a fantastic achievement for both Louise Knitter and Graham Jetta, with Graham Govern from our Integrated team receiving The Spirit of The Game Award.

With that the season of 2020 comes and goes very quickly particularly this year with a shortened season due to COVID.

Congratulations to all our award recipients well done to you all. I encourage everyone to continue to help support myself and the club. With this I look forward to guiding the HWAFC to bigger and better achievements in the coming 2021 season.

Jason Castle
HWAFC President

Public

C2 League Report

Firstly, I would like to take the opportunity to thank the whole High Wycombe football club family for welcoming me and my family into both your lives and this football club.

What started with a January meeting and ended up with a grand final appearance, I couldn't be prouder of the playing groups who ran out and got us there over the 2020 season.

We kicked off pre-season at Fleming reserve January and continued to build fitness until out of our control Covid came and put the halt to the one hobby we love.

Fast forward to July 4th and we have been given the green light to have a footy season.

To finish the year in a tight even competition on 7 wins and 2 losses was an amazing result. To then continue and have 2 finals wins and earn our spot in the grand final is something I'm sure all involved in is extremely proud of.

To the Playing squad from 2020 in both reserves and League I would like to thank you for your efforts, and I hope the drive will continue into the 2021 season as we have built some great foundations this year. I also have enjoyed the interaction with the junior football club and under 18's team this year and I can't wait to see the turn out for the colts programme in January 2021.

I have thoroughly enjoyed my first year as a senior coach and I look forward to the 2021 season.

Thank you to the President, committee, coaches, my amazing team manager and everyone else involved behind the scenes for backing me in.

Have a good couple of months off and see you for preseason doggies

Ben Armstrong
League Coach

C2 Reserves Report

What a year... 2020, one for the ages with all that was happening throughout the world and everyone having to adapt to it in many different ways.

Firstly, I would like to say Thank you to my beloved HWAFC and its loving and extremely passionate supporters for the opportunity to coach our beloved football club in particularly the Reserves.

To all players new to the club and returning players, Thankyou (I hope to see you all next year, we are stronger together)

To the executive committee which trusted and supported me, Thank you.

To our team manager and my mother Sherry Barnes, Thank you very much.

To Ben and Nunny, Thank you

Brinky and Steve, you boys are legends I appreciate everything you have done this year and I could not have done it without you both. Thank you.

Lastly but most importantly to the 47 legends that played in the resses side this year, I love you all and thank you.

To the year that was, our first game against Nollamara both the leadership and coaching group needed to do a ring around to fill the team, then fast forward 3 weeks we were in the unfortunately fortunate position of leaving 10 to 15 players out each week. It was a very challenging year from the point of managing the number of players we had with the limited games to played.

For our team to lose only 2 games throughout the year and to be knocked out of the chance for glory in the 1st final really hurts, I will be reliving it over the summer. We will come back stronger, fitter and better.

It's no longer cool to not make preseason, it's no longer cool to just rock up and expect a game.

We are all in this together, don't let each other down.

Let's do something great next season.

Bring it on.

Cheers Barnesy

Women Report

Wow, what a season. Strong pre-season with great numbers & then BANG!!! Covid 19 hits us.

We trained in smaller numbers waiting for an opportunity to train as a squad, the restrictions made it very hard for the Mum's with kids to train, some single, others with FIFO partners. We lost some players because of the uncertainty, the restrictions & even had 2 transfer out. At the same time, we welcomed a host of new players, some with experience & others who had never played before.

We were finally able to train as one & see what we were working with in the shortened 6 game season. We ended up missing the finals by 1 game, having lost 2 really close ones that we should have won. At no time did the girls give up fighting it out to the end. I am so very proud of each and every one of them.

To my leadership group, Captain KL, Vc's Holly & Lou, thanks for your help through the season. Big thanks to Rob who put his hand up to help as an assistant & team runner & put in many hours to help make us better. We also so thanks to Laurel our team manager for all her help on game days & training nights. Cheers to our regular umpires, well done boys. You all did a great job. I must also thank our trainers for the great job this year in trying circumstances.

To all the Girls who played this year, I thank you & hope that you all return & play on. Commit to your new coach & bring home the flag for the club & yourselves, you deserve some rewards.

I thank the club for allowing me to Coach & for accepting & embracing Female football at our great club. Thanks for letting the ladies play this great game.

Congratulations to the trophy winners from the Ladies team & to all other grade winners. Congrats to Lou Knitter on yet another league B&F, you rock & to Graham Jetta & Graham Govan for your association awards.

Well done to Ben, his coaching staff & the League boys for reaching the GF, your turn next year. Congrats to the 2's & integrated sides for making the finals, keep up the good work.

Last of all I thank Weazel for all the help & guidance you have given me over the last 2 years, I know I have been a pain in your side, but it has been fun!!

So, to all & I hope I haven't missed anyone." Thank You".

Go the Doggies

Narelle Worsley, Coach

Integrated Report

It was another successful season for the High Wycombe Integrated Footy team in 2020. This was a strange year for everyone due to the virus and we all had shortened seasons. We won eight of our nine home and away games to finish second and so we were competitive, and we played finals for the sixth year in a row. Unfortunately, we lost the second semi-final and then the preliminary final, so it was a disappointing end to our season. However, given the year it has been it was a bonus for the players to just be able to get out there and play footy.

Our numbers remained strong with 27 players representing the club throughout the year. We have had another strong year with great support from parents and carers to get the players onto the ground and helping out during games. I am confident that all players enjoyed games, training and even the carpooling to get to away games.

Congratulations to Graeme Govan on winning the Association Spirit of The Game Award for the Integrated Footy competition. This is a new award introduced this year and is voted by the umpires. A great honour for Graeme to win the first time this has been presented. He is a great player and we love the way he goes about the game, very unselfish and happy to include others. This includes the opposition in some games, and he is very happy to fill in for the opposition if they are short of players. He is a very deserving winner.

As a confirmation of the strength of our Integrated Footy program we also celebrated milestones; 100 games Ryan Nicholls and Robert Gregory and 50 games for Anthony Kalimeris, Troy Pyke and Shannon McKinley.

We again had Forrestfield and High Wycombe Community Bank (Bendigo Bank) on board as sponsors and really appreciate their continued support.

Thanks to Captain - Graeme Govan, Vice-Captain Anthony Kalimeris, Co-Coach David Sheedy, Assistant Coach Glenn Lammonby, with help also at different stages from Craig Gallagher and Rob Rowlands, Umpire - Peter Pewsey, Team Manager Terri Miller, with assistance from Emily Sledzinski, Goal Umpire Bruce Miller with backup Nick Kalimeris, Trainer Amye Sheedy, Runners Ryan Hockley, Jeremy Nosow, Matthew Safe and Peter Pewsey, Ground Preparer Mark Bloomfield, and all others who helped out throughout the year. Thanks also to Margaret Williams for sorting out the team sheets and entering results for us each week and to Rob Rowlands for collating the weekly best player votes for our vote count at the Integrated windup.

I would also like to thank the various parents, carers and others that helped out throughout the year and to President Jason Castle and the committee for their continued support. Thanks to Ben Armstrong for his support of our team and for providing a weekly match award to the players, it was greatly appreciated.

Lastly thanks to the players. Their love of the game and also of the club, make being involved in Integrated Footy so worthwhile.

Congratulations to all trophy winners and we look forward to continued improvement for the Integrated Footy team next year. Go Bulldogs!

Brett Hockley
