## Presidents Report

What a wonderful season!!!! Which has been full of excitement, a little bit of fear with Covid-19, the very existence of still playing games, winning, taking part in Finals is just what the football club's all about for those that missed out on Finals your contribution to this season has been magnificent and I really do thank you for your time and effort you all have put in. We believe the cultural changes happening at our club are a fantastic result of your cooperation. Just look at the weekends for all the family their children down at our club supporting our teams was truly awesome, it's that buzz in the community that is what community football club is all about, the ongoing education I believe should continue, we have just opened the door, so everyone can see the other side, where we are and where we stand within our community.

This season has presented itself with many different ups and downs the uncertainty of Covid-19 and what that brings, is still unknown and we are still coming to terms with it.

We finished the season with three teams qualifying for finals they were C2 league, C2Reserves (at time of this report outcomes were still ongoing) and our integrated side finishing 3rd overall with Willetton the eventual winners

E3's will remain a valuable team for next season and the women's team will become competitive with the injection of younger players. Overall, the teams list look to have good numbers and to be in a reasonably healthy state.

Colts are looking more and more a probability with promising talks underway.

With that said we are all looking forward to the next few weeks wishing everybody all the best.

Our club does not run its self, it takes the tireless efforts of our Executive Committee, VP Mark Doyle, Treasurer Craig & wife Meagan, Secretary Sherry & Registrar Aunty Marg, all their help, understanding & support has been unbelievable throughout the year.

General Committee Members, Coaches (Ben, Phil, Parso, Brinky, Hockers & Sheeds) along with their families for their patience & understanding allowing each of you to do what you do. We say Thank you To Coke, Amazing as always.

Trainers Shelley, Natalie & Sandra Awesome job.

The Canteen & Bar staff for all their efforts throughout the year.

To the Team Managers, Umpires & Water people.

To each & every one of you we THANK YOU all very much.

Special Thanks goes to my wife Sherry, she has been my sounding board, biggest critic & the most awesome support. Without her efforts I wouldn't have been able to achieve the things I have done this season. Thank you very much.

To our club Sponsors without your generous support in & around the club, we would not be able to provide the amenities or equipment to our members.

We look forward to your generous ongoing support in 2022. From everyone at HWAFC we Thank you all very much.

Rewards and milestones we've had Bones (Daniel Smith) play 250 games and number 23 is now going to be retired along with his boots.

Longy also played his 250th game giving him the opportunity to kick 100+ goals this year, well done. For the third time at the HWAFC a fantastic contribution to our club.

Jarryd Brinkworth played his 150th game this year.

Jess Cartwright, Matty McKenna, Marcus G all playing 100 games for our footy club, tremendous efforts guys. Along with them there are numerous others that have played 50 games this season.

Jeremy Nosow from our Integrated, played his 100th game this year, which equivalent to roughly 10 years' service to our club, willingness to involve his other teammates in the game is what integrated football is all about! Run and fun!!!

Public

Public

The Integrated Fairest & Best Award was named the Hockley/Sheedy F&B Award; in recognition of the many years these 2 men have contributed to the Integrated Team!

Congratulations to you all!!!

Up the dogs!!

After 4 days of heavy celebrating I finally can put pen to paper.

What a fantastic result for the club. Our first League win in 18 years!!

The League boys did a great service for the club, in bringing the Premiership home.

Unfortunately things didn't work out the way we would have liked for our Reserves in the Grand Final, however what an outstanding season you all have had.

To Ben and Phil along with all their support staff, a huge Thank you for your efforts. To our whole club  
THANK YOU!

## C2 League Report

What started in mid-December 2020 at Fleming Reserve, to finish on September 11 2021 at Steel Blue Oval with a Premiership what a year!!

I would like to Thank all the Executive Committee and Players for their input and effort over the past 10 months. It was a good team effort by all.

Congratulations and a massive Thankyou to my League playing group in 2021, you have all created a lifelong memory now which we will never forget. You all have played your role in some way and each of you deserve the reward we all play football for.

I would like to say a massive Thank you to my second favourite person at the club, Margie for being the best Team Manager a Coach could ask for and always answering my phone calls.

To Scott, Craig, Phil & Doyley Thank you for your Coaching Assistance, I appreciate your support. Could not have won without any of you.

To my biggest supporters Jaimi, Indie and Bob your patience and support hasn't and will never go unnoticed. I Thank you very much.

To all the playing group and to the club we have done our job and been promoted.

Let's all spread the word and stick together over the summer months.

Be safe and enjoy the summer and Christmas.

See you soon

Army

## C2 Reserves Report

I think everyone was hoping 2021 would be different too 2020, when the year started it was, we were able to commence pre-season training back at home base Scott Reserve (with Thanks to High Wycombe Cricket Club) and to everyone involved from HWAFC whom organized this.

We started the year with great optimism and hope knowing the hard work done during the off season to attract new and returning players to the football club. It was a fantastic year on and off the field.

Frist, I want to say Thank You to the HWAFC and our passionate supporters, for the opportunity of coaching the Reserves side for the third year running.

The Executive committee which trusted me and back me Thank you.

To our Team manager for the second year running Sherry Barnes, thank you for all you do, a lot of it goes on behind doors but we wouldn't be able to set foot on the ground without your help.

To my Assistant Coach Mark Doyle, you're my rock mate I have Loved every moment being by your side. Your knowledge and the way you deal with issues big or small is an absolute art and I have learnt a lot. Thank you from the bottom of my heart.

And lastly, I want to say Thank you to the 46 boys which played in the Reserves team this year. We made it all the way to last game of the season with everyone's help. The final game of the year didn't go as scripted 'that's just how Football goes unfortunately'. Heads up and move forward.

Thank you too all.

Phil Barnes

2021 was an up and down season for the E4 boys, bookending our year with great wins. For many weeks though it seemed to be a battle of bad luck vs no luck at all. We had players stuck on the runway, getting pieces of metal in the eye the day before the game, or players saying they will play then doing a no show. However, through it all we made it through the season and had an interesting time doing it.

One of the joys of being the Thirds coach is the huge number of players that come through the team throughout the season. Thanks to all the boys who filled in when we were desperate, especially those who came out of retirement. The downside to this is that more time is spent finding 22 players than working out where they will play on the field. A big THANK YOU to my Skipper Bails, for all the work you did chasing players so we could get a team up each week (almost), you will make a great coach one day.

The quality of players that played this year was amazing, it was unfortunate that we could not get our best 22 on the park on the same day, if we could, we would have pushed Manning for top spot. This was where our luck (or lack of) would come to terrorise our season, the Covid "byes" cost us momentum with both games against teams we should beat, or when we do get a victory, we lose 3 players to knee injuries (Flavs and Razor good luck with your rehab, I've almost finished mine). In true Thirds spirit however, we played better against the teams that were supposed to pump us. We can beat a young team like Carlisle, stick with Willetton and Jandakot all day, but then steal defeat from the jaws of victory against both Piara Waters and Ellenbrook twice. The development of our young players was awesome to watch especially The Dyer boys and young Marley, and to see the excitement of B- Dawg kicking his first goal. Well done to all the Old Boys who had a run we got you through mostly injury free.

I would like to give a big thanks to the club, the committee, and the other coaches for the opportunity to coach and play again. To my manager Rachel Bailey, none of this could be done without you, you did an amazing job. Captain Bailey cheers for all your work, I won't miss the stress of the Saturday morning calls letting me know which players we lost or making the heartbreaking call to forfeit against a bottom team. To the rest of my support staff, Nat and Mark Brinkworth the whole team would be lost without you, Tom, Robbie, Holly and the rest of the Women's team thanks for your support, and for running water, we really appreciate it. Finally, to my Assistant Coach Dale, thanks brother, as always you do more than I can acknowledge you for.

To all the boys that played this year, thanks for a great season, you all gave 100% and we had had some fantastic moments. Good Luck and don't retire. To the League and Reserves teams' good luck in the Finals.

Parso

## Women Report

Being my first year as a senior coach I was going in fresh and not knowing what to expect. We had great numbers registered and I was excited about the season ahead with a great mix of young and new players along with a lot of returning experienced players. Getting good numbers on the training track early in the season helped the ladies' gel as a team and get to learn each other's strengths and weaknesses. This was always going to be the challenge with a new mix of players this season.

The plan was to be competitive and get the Ladies to work together as team mates on the field and just give it 100% every time they took to the field.

This year became very challenging when fixtures came out, we were given so many bye games, followed by unfortunate cancellation of games due to Covid and a forfeit we just could not get a run of games in a row to get any sort of flow.

The season was plagued with players getting sick, injured, or working away and our numbers dwindled quickly, however every week we managed to get a squad on the field and give it our best shot. So proud of the players for pushing through the season with all these challenges.

As I look back on the season, I did find it challenging at times, however very rewarding to see the growth of individual players and the team bond both on and off the field. I am also super proud of how we handled the defeats and held our heads high every week knowing we threw everything at our oppositions.

A big thanks to Rick and Mandy Rowland from RGR HEAVY HAULAGE for their sponsorship of the club and our awesome new jumpers for the season. We looked awesome in these.

I couldn't have done this alone and a huge thanks to Robert Rowlands for coming on board as my assistant coach. Rob has so much experience and was a pleasure to work alongside for the whole season. I thank you for letting me learn and grow and try find my style throughout the season, not sure I would have done it without you mate cheers.

Behind every good team is a great manager and a massive thank you to Melissa Bryant for taking on the role as team manager. Her first year in this position and she smashed it out the ballpark. Always so organised and a pleasure to work with, nothing was too hard for her to do for us. Thank you so much turning up with a smiling face and doing all the paperwork and behind the scenes processes.

To our leadership group Louise, Holly and Michalie thank you for the late-night messages, the truth and honesty you showed me and trust that I was heading in the right direction. I know we didn't always see eye to eye but that's what it's all about learning, listening, and growing. I loved the debates and discussions. You all legends.

Thank you to Amy Lee for organising the players and coaches training shirts these looked awesome during the season, and everyone loved them. Also, thanks to Amy for the social media posts keeping our friends and followers up to date. I'm sure there so much more behind the scenes and we thank you for that.

Where would our energy be every week without our serve of Glucose supplied by our lolly lady Donna. Along with photos when we needed, she is always there for whatever we need help with Thank you Donna.

Rain hail or shine every week Cody made it to our game to take on boundary umpire duties and we thank him very much, just always there with a smile to help the team wherever needed.

To the man that never seems to stop and just seems to be everywhere "Coke" you are a legend, thanks for sorting our gear, thanks for assisting as goal umpire and all the little things you do that go un-noticed.

A quick shout out to Ben and Phil who were always happy whenever time allowed to pull on the water shirts for us.

Last but not least a very special thank you to our trainer, my wife and my best friend. I love you; the team love you and we all thank you for being there day or night for all of us. I couldn't have done this without your support. Time now to sit back reflect on the season and see what the future brings for this old bloke...

Cheers Brinky

(Mark Brinkworth)

## Integrated Report

It was another successful season for the High Wycombe Integrated team in 2021. This was a second strange year for everyone due to the COVID 19 virus. Two new teams in Kelmscott and Curtin Uni Wesley were added to the Integrated competition but we did not play against either of them due to lockdowns.

We won seven of ten home and away games to finish third and play in the first division finals. For the first time the Integrated competition also had second division finals this year. We were again competitive and played finals for the seventh year in a row. We lost a qualifying final, won the first semi-final but then lost in the preliminary final so it was a disappointing end to our season. However, given the year it has been it was a bonus for the players to just be able to get out there and play footy.

Our numbers remained strong with 25 players representing the club throughout the year. We have had another good year with great support from parents and carers to get the players onto the ground and helping during games. I am confident that all players enjoyed games, training and even the carpooling to get to away games.

As a confirmation of the strength of our Integrated Footy program we also celebrated milestones; 100 games for Jeremy Nosow, 50 games for Daniel Cruskall and Sean Wilson.

We again had Forrestfield and High Wycombe Community Bank (Bendigo Bank) on board as sponsors and really appreciate their continued support.

Thanks to Captain - Graeme Govan, Vice-Captain Anthony Kalimeris, Co-Coach David Sheedy, Assistant Coach's Glenn Lammonby and Peter Woods, Umpire - Peter Pewsey, Team Manager Terri Miller, with assistance from Emily Sledzinski, Goal Umpire Bruce Miller with backup Nick Kalimeris, Trainer Amye Sheedy, Runners Jeremy Nosow and Connor, Ground Preparer Mark Bloomfield, and all others who helped us out throughout the year. Thanks also to Margaret Williams for registering players, sorting out the team sheets and entering results for us each week and to Marg and Rob Rowlands for collating the weekly best player votes for our vote count at the Integrated windup.

I would also like to thank the various parents, carers and others that helped us out throughout the year and to President David Barnes, the committee, and the club for their continued support.

Lastly thanks to the Integrated players. Their love of the game and their joy in representing the club and making the most of the opportunity to play footy, continue to make being involved in Integrated Footy so worthwhile. Our motto as always is Fun and Run!

Congratulations to all trophy winners. Go Bulldogs!

Brett Hockley
